

The ALTA Foundation is excited to announce the recipients of the 2024 L. Keith Wood Scholarship. Committee members diligently reviewed numerous applications from exceptionally talented, intelligent, and community focused students.

To qualify for this prestigious award, candidates must have engaged in either the ALTA Junior League, participated in the Junior Challenge Ladder, or been involved in the Foundation's START program. They had to have shown a dedication to community and volunteer service along with being able to display how tennis has assisted with their growth, both on and off the court.

Each awardee will be granted a \$2,500 scholarship to support their educational endeavors and will be honored on center court during ALTA Day on July 22, at the Atlanta Open.

We extend our heartfelt congratulations to our deserving winners!
