

Meet the 2025 L. Keith Wood Scholarship Winners

The ALTA Foundation is excited to announce the recipients of the 2025 L. Keith Wood Scholarship. Committee members diligently reviewed numerous applications from exceptionally talented, intelligent, and community-focused students.

To qualify for this prestigious award, candidates must have engaged in either the ALTA Junior League or the Junior AA program, participated in the Junior Challenge Ladder, or been involved in the Foundation's *START* program. They had to have shown a dedication to community and volunteer service along with being able to display how tennis has assisted with their growth, both on and off the court.

This year, the foundation increased the scholarship amount so that each awardee will be granted a \$3,000 scholarship to support their educational endeavors while attending college. Each recipient will be honored during the ALTA Junior City Finals at DeKalb Tennis Center in May.

We extend our heartfelt congratulations to our deserving winners!

Sophie Dowling, Dunwoody
ALTA Facility: Dunwoody Country Club
Graduate of: Holy Innocents' Episcopal School
Attending: University of South Carolina

Kei Holmes, Suwanee
ALTA Facility: The River Club
Graduate of: North Gwinnett High School
Attending: University of Pennsylvania
